I am 1<sup>st</sup> Year B.Tech Computer Science Student at CMR Engineering College. I have adept understanding of C/C++ languages. I have experience in Frontend Web Development (Responsive Design, HTML5 Canvas animations). I've been using ArchLinux as my primary OS for 3 years. I understand computers very well and learn new computer concepts very quickly.

## Skills

### Web Development

- HTML (Layout, Forms, Tables)
- CSS (Responsive Design, CSS Transformations & Animations)
- JavaScript (Canvas Animations, Dynamic elements)

### Programming Languages

- C/C++
- Java
- JavaScript

### Linux
